

DOMAINE ANDRÉ ET MIREILLE TISSOT, STÉPHANE TISSOT
CRÉMANT DU JURA EXTRA BRUT – NON DOSÉ

The Jura is an old chain of mountains drawing a natural border between France and Switzerland. Even though just 80 miles east of the Côte de Beaune and west of the Valais, this region existed for centuries in splendid isolation. Unburdened by the ways of its neighbors, they protected their indigenous grapes and distinct vinification methods regarded as stubborn by the oenological conformists. If you are one of those people who long to escape from the shallowness and tedium of wine fashion, then the Jura is for you.

Stéphane Tissot’s fascinating personality between candid kindness and an incredible obstinacy lead him to become the most highly regarded of the regions’ leaders. Certified organic since 1999 and biodynamic since 2004, Stéphane’s estate is an example of natural practices. The Jura is part of the eight French regions using Crémant for their bubbly. Méthode Traditionnelle, hand harvesting, 1st juice after pressing and a minimum of a year of ageing “sur lattes” are the mandatory criteria to be eligible to this classification.

Vinification in stainless steel for 60% of the wine and 40% in old French oak barrels. Ageing of the base wine 4 month on fine lees before bottling. Ageing sur lattes in bottle during 14 to 20 months. “0” dosage – Extra Brut.

TASTING NOTES _____

“This is clean and with very strong aromas of apples, hints of fennel, and aniseed with very pleasant acidity and abundant bubbles. It’s very easy to drink and very pleasant with a mineral, sapid finish. This has to be one of the best Crémants from Jura and certainly a steal among sparkling wines.”
