

**DOMAINE FRÉDÉRIC MABILEAU**  
**"CHENIN DES ROUILLÈRES" ANJOU BLANC 2015**

Frédéric & Nathalie are like family to us, for 6 years I had the pride to be Frédéric's right-hand-man and he became my mentor. It's such a joy to be able to say "we" when speaking of this wine, because we designed it the way it is now. I now every single thing that come in the making of this cuvée and I can guarantee you that every single step is respected to provide you with the brightest expression of the Chenin Blanc variety.

It was a project that was close to our heart, planting Chenin Blanc in the sandy and gravely terrace just outside of the village of Saint Nicolas de Bourgueil were Frédéric transcends the capacity of Cabernet Franc. This tiny parcel is separated by a dirt road also the border between the Touraine and the Anjou. I planted these vines and saw them growing out of the ground, Frédéric, Nathalie and I wanted it to be a bright and crystalline expression of the varietal and of course our dream came through... Another masterpiece by the master himself!
