

DOMAINE ANDRÉ ET MIREILLE TISSOT, STÉPHANE TISSOT ARBOIS CHARDONNAY "PATCHWORK" 2015

The Jura is an old chain of mountains drawing a natural border between France and Switzerland. Even though just 80 miles east of the Côte de Beaune and west of the Valais, this region existed for centuries in splendid isolation. Unburdened by the ways of its neighbors, they protected their indigenous grapes and distinct vinification methods regarded as stubborn by the oenological conformists. If you are one of those people who long to escape from the shallowness and tedium of wine fashion, then the Jura is for you. Stéphane Tissot's fascinating personality between candid kindness and an incredible obstinacy lead him to become the most highly regarded of the regions' leaders. Certified organic since 1999 and biodynamic since 2004, Stéphane's estate is an example of natural practices. The 30 wines produced at the estate are showcasing all the "patchwork" of Terroir that Jura can offered, displaying an incredible "life" and a signature that you find nowhere else.
