

# DOMAINE VINCENT STOEFFLER

## VIN NATURE "ORANGE WINE" FEU FOLLET 2022

Farmed organically since 1999 and **Certified organic by Ecocert since 2002**, the 37 acres of Vincent Stoeffler are located mostly in Barr, where the cellar is based, but also includes some of the best "terroirs" of The Bas-Rhin with the two Grand Crus Kirchberg in Barr and Schoenenbourg in Riquewihir.

Vincent knows that what makes the greatest wines depend of the grapes' quality. In the vineyard he uses no pesticides nor herbicides, favor low yielding and harvest exclusively by hand at optimum ripeness. In the cellar he chooses hands-off winemaking, uses native yeasts, practice long pressing in order to preserve the integrity of the fruit, slow fermentations and uses large old French oak vats for patient ageing on fine lees.

"Orange wine" or "white from maceration" is an ancient technique in which white grapes macerate with their skins and seeds in the manner of a red wine. The fair objective is to deliver the entire essence of the white grapes when they are most of the time pressed directly leaving only the juice to ferment.
