

DOMAINE FRÉDÉRIC MABILEAU "FRED" SAINT NICOLAS DE BOURGUEIL 2022

30 years-old Remy Mabileau, following the accidental death of his dad Frédéric in 2020, is now, with his mom Nathalie, in charge of the estate. His vision is anchored into the natural wine approach following the footsteps of his father with whom he worked for 4 years. As a friend of the family (I worked 6 years at the estate from 2003-2009) I was there to witness this painful transition, and this young man impressed me with his maturity and the result of his first vintage 2020 in this context was brilliant, his second vintage is therefore a great confirmation of his raw talent. His dad would be proud...

Saint Nicolas de Bourgueil, feel free to shorten it to St Nicolas, is the tiniest of the Cabernet Franc's appellations of the Loire. With only 2,500 acres and 140 producers it represents half of Chinon's area of appellation. An ocean of vine on the original wine river bed, that's what makes St Nicolas the most precise expression of the varietal and the most delicate too.

This new cuvee "FRED", new cuvee launched by Remy, is a tribute to Frédéric, or Fred. By using the Aviation Alphabet to discretely give this wine his dad's nickname, he also remembers one of Fred's passions of flying.

An infusion of fruit delivering the essence of Cabernet Franc genuine flavors. Like a basket of summer strawberries, raspberry and sour cherry. Tannins are extremely discrete leaving the fruit and floral notes of violet leading the way. Naturally and simply delicious !
