

DOMAINE MOREAU-NAUDET

CHABLIS 1ER CRU "VAILLONS" 2023

Northernmost vineyard of Burgundy, only 30 miles south of Champagne, Chablis owes its name to a peaceful village settled along the *Serein* River and surrounded by hillsides planted with exclusively Chardonnay grapes since more than a thousand year. The old ocean, that was covering the area some millions years ago, left behind this fascinating Terroir, known as Kimeridgian limestone, rich in oyster shelves, ammonites and fossils. Due to a cool climate and a low or no use of oak, Chablis offers one the purest expression of Chardonnay grape in France with an inimitable minerality.

Over the course of the last 25 years Virginie Moreau, alongside her husband Stéphane, put this small family estate on top of the hierarchy of Chablis. Through the fascinating personality of their wines, they became the rightful heir of the two iconic figures of Chablis, Dauvissat and Raveneau. The sudden death of Stéphane in 2016 left Virginie, and their longtime winemaker Corrine, to hold the rein of the estate. Their constant progression over the last few years gave them national praise by the highly respected *Revue des Vins de France*, who awarded them the second star, the equivalent of the Michelin stars for the Wineries in France.

SOIL TYPE

A very stony calcareous single block of 4 acres on the lieu-dit "Sécher". Steep east & south-east oriented hillside on the left bank of the Serein River. This 1er Cru location is known for its slow ripening making it the most aged worthy and floral of the 8 climats under the flag-bearing Vaillons.

VARIETAL

100 % Chardonnay / 60 to 80 years old vines

CULTURE

Ploughing of the soil under the row. No herbicides. No pesticides. Only organic fertilizer. Manual harvesting. Manual sorting on a sorting table.

VINIFICATION

Slow pressing in a pneumatic press. Long "Debourage" (clarification) of 10 hours in order to avoid any fining or filtration. Aged 24 months 1/3 in 1 year-old 600 liters French oak barrels and in 400 liters 1 year-old French oak barrels, and 2/3 in thermo-regulated stainless-steel tanks. Light toast.

TASTING NOTES

"Opening from the glass with an expressive bouquet of tangerine zest, white flowers, pear and oyster shell, it's followed by a medium to full-bodied palate with ample chalky extract and a saline finish. It's broader than Beauregard but simultaneously racier than Montmains."

-- RP (92-94) pts Kristaps Karklins, *Wine Advocate* March 2025
