

DOMAINE GALEVAN, CORALIE GOUMARRE CHATEAUNEUF-DU-PAPE "SAINT-GEORGES" 2022

9th generation Coralie Goumarre is at the helm of the family winery since 1995. Located in the renowned village of Courthézon, neighbor with Château Beaucastel, Coralie's 49 hectares are planted with vines of 60 years-old in average, the oldest being over 100 years-old. Certified organic since 2011 she uses native yeast and vinification are made with no addition of SO₂ to preserve the essence of the wine.

Coralie is proud to be a "Natural" winemaker delivering life in her wines.

Located on the alluvial terrace of the Rhône, her estate is made of large single blocks mostly based on the impressive Terroir "Galets roulés", or rounded pebbles made of pure silica, on a base of iron oxide rich clay. This Terroir found only in

Châteauneuf is the one who makes their wine inimitable.

In a region known for bolder style of wines she is an exception as her wines are never excessive in alcohol, show soft extraction and always keep an approachable character even young.

No SO₂ added during the winemaking. No fining or filtration before bottling.

TASTING NOTES _____

"Spicy red and black cherries, roasted garrigue, licorice, and cocoa powder, with its oak nicely integrated. With ample richness and depth on the palate, this medium to full bodied, broad, layered effort brings more opulence and mid-palate depth than most in the vintage and has ripe, polished tannins, terrific balance and a great finish."
