

CLOS TROTELOGOTTE, EMMANUEL RYBINSKI CAHORS MALBEC "K-POT" 2023

The family vineyard, entirely replanted in 1987 by Emmanuel's father, is a single block of 29 acres located on the unique plateau of iron-rich limestone of the small village of Villesèque. In his vineyard of altitude, overlooking the whole valley of the Lot River, "Manu" wants to break with the traditional rusticity of the local wines to, instead, highlight its Terroir particularity.

Certified organic since 2014 and **Certified Biodynamic** since 2017.

Each of Emmanuel's wines is the expression of a single parcel selection showcasing the different level of concentration of iron in the soil. Each cuvée's name is a word starting with a "K", the first syllabus of Cahors. "K-pot" (Capote) means "Condom" in French a naughty way to highlight the fact that this wine is made with no SO2 or "no protection"
