

# MOULIN DE GASSAC

## GUILHEM ROSE - PAYS D'HERAULT IGP

### 2025

Moulin de Gassac, or windmill over the Gassac River, is the entry line of the iconic estate Mas de Daumas Gassac. Considered by many as the greatest estate of the Languedoc region, "A Lafite in the Languedoc", they are known to be at the origin of the rebirth of the region. Brothers Samuel, Basile, Gaël & Roman are following the legacy of their father Aimé Guibert who, with his wife Véronique, gave birth to this estate 4 decades ago.

A carefully selected group of farmers, who are instructed to farm with organic practices, are providing them with top quality fruits that come in the production of this line of white, rosé and red. Personnel from the estate harvest and vinify in winemaking facilities located next to the plots in order to preserve the most genuine quality of the place.

"Guilhem", Gaelic version of William, is a tribute to a local monastery based at Saint-Guilhem-le-desert whose monks launched the wine production in the region. St. Andrew's cross is here to remind us the Gaelic heritage.

#### SOIL TYPE

Clay and limestone plateau with quartz and gravels.

Located close to the Thau lagoon overlooking the Méditerranée, contiguous with Picpoul de Pinet.

#### VARIETAL

40% Grenache, 40% Cinsault, 20% Cinsault

#### VINIFICATION

Harvest at high maturity. 100% destemmed.

Direct pressing with juice selection.

Must clarification at cold temperature. Fermentation at low temperature.

Ageing in stainless steel tanks during 5 to 6 months.

#### TASTING NOTES

Bright, Mediterranean-style dry rosé offering lively aromas of citrus, wild strawberry and spring flowers. The palate is fresh and well-balanced, combining juicy red berry fruit with crisp acidity and a clean mineral finish.

From the same estate:

*Moulin de Gassac "Guilhem" rouge*

*Moulin de Gassac Chardonnay*

*Moulin de Gassac Pinot Noir*

*Moulin de Gassac Picpoul de Pinet*
