

DOMAINE DE MAOURIES « EQUINOXE » PACHERENC-DU-VIC-BILH SEC 2024

Founded in 1907, Domaine de Maouries is a fifth-generation family estate in Labarthète, at the heart of Gascony and the historic appellations of Madiran, Pacherenc du Vic-Bilh, Saint-Mont and Côtes de Gascogne. The 28-hectare vineyard spans 25 parcels across three villages, with diverse clay-limestone, sandy-loam and gravelly soils that bring complexity and freshness to the wines.

Today, Claire and Rémi Dufau, both in their thirties, continue the family tradition alongside their father, Pascal. Claire leads the winemaking, while Rémi oversees the vineyard, combining a deep respect for their heritage with a modern approach to viticulture. Following years of environmentally conscious farming, the estate became **certified organic with the 2024 vintage**, with a strong focus on biodiversity, soil health and minimal intervention.

Planted to regional varieties including **Tannat, Cabernet Franc, Gros Manseng, Petit Manseng and Petit Courbu**, Domaine de Maouries produces expressive reds, whites, rosés and sweet wines. With more than a century of history and a modern organic vision, the estate is part of a new generation of Southwest French producers crafting authentic, vibrant wines deeply rooted in their terroir.
