

DOMAINE GALÉVAN, CORALIE GOUMARRE CHÂTEAUNEUF-DU-PAPE BLANC 2018

9th generation Coralie Goumarre is at the helm of the family winery since 1995. Located in the renown village of Courthézon, neighbor with Château Beaucastel, Coralie's 49 hectares are planted with vines of 60 years-old in average, the oldest being over 100 years-old. Certified organic since 2011 she uses native yeast and vinification are made with no addition of SO₂ to preserve the essence of the wine. Coralie is proud to be a "Natural" winemaker delivering life in her wines. Located on the alluvial terrace of the Rhône, her estate is made of large single blocks mostly based on the impressive Terroir "Galets roulés", or rounded pebbles made of pure silica, on a base of iron oxide rich clay. This Terroir found only in Chateauneuf is the one who makes their wine inimitable.

In a region of fully textured whites she favor elegantly balanced wines with a dominance of fruit and floral notes with a fine line of mineral acidity. The oak fermentation is here to open up the wine and densify the texture but never it mask the expression of the Terroir by excessive toast.

TASTING NOTES _____

"it reveals a medium gold hue as well as a beautiful bouquet of exotic tropical fruits, caramelized lemons, white flowers, and spice. With medium-bodied richness, beautiful acidity, nicely integrated oak, and a clean finish, this terrific white has both richness and freshness and should easily be an outstanding wine."
