

DOMAINE DENIZOT "DAMOCLES" SANCERRE BLANC 2020

In 2016, Beaune-trained Thibaut Denizot, and his wife Jennifer, took over the family's 18.5 ha estate in the unsung Sancerre-producing village of Amigny, where they still have 65% of their parcels. Located in the west of the appellation, the soils are what the Sancerrois call Caillotes (chalky pebbles). The rest of the domaine being based in Verdigny, also on caillotes, as well as in Chavignol, iconic village with steep slopes of kimmeridgian chalk, which account for 10%. More recently they also acquired 2.5ha of Pouilly Fumé, on the Silex Terroir of Saint Andelin, made famous as being home of Didier Dagueneau. This mosaic of Terroir nuances offers a wide aromatic pallet as well as the singular minerality brought by a rich subsoil of limestone.

The couple has focused on making wine, whereas the family previously sold their grapes to other producers. That's why they are still a hidden secret. The production is not all white, Pinot Noir accounts for about 25% of all plantings. In organic conversion, they choose environment friendly practices from day one, and their hands-off winemaking approach favor the mineral precision. Like Rebecca Gibb MW mentioned, in her latest Vinous review of Damocles 2019 (92pts) "This is a domaine to keep your eye on in the years ahead".

Seductive reach texture while showing a lot of delicacy and mouth-watering balance. This exceptional Terroir explores all the potential of a ripe Sauvignon with exotic fruits and blood orange. The line of salty minerality lingers into an elegant and prestigious finish.
