

# DOMAINE SÉBASTIEN MAGNIEN

## HAUTES CÔTES DE BEAUNE "VIEILLES VIGNES" 2021

Enological engineer, highly spoken of by the Bourgogne connoisseurs, Sébastien Magnien took over the family estate in 2004 becoming the 4<sup>th</sup> generation winegrower. After a rich experience in the best Burgundian estate (Domaine Rossignol in Gevrey Olivier Leflaive in Puligny) and abroad at Hartford Court in Cali, he settled in the heart of the iconic village of Meursault. Starting in 1983, when Sébastien was only 2 years old, his parents, winegrowers in Meursault in the Hautes Côtes de Beaune, acquired meticulously year after year 10 acres of vines in the most prestigious appellation of the Côtes de Beaune. With his mother Brigitte they now farm 25 acres of land (2 acres of Pinot Noir) in 9 appellations that includes the renowned Volnay, Pommard & Puligny-Montrachet. Close to his family roots he also has his heart set on maintaining the family vineyard in the Hautes Côtes where he still produce most of his wines. His style is true to the most classical Burgundian tradition with a completely hands-on approach to the winemaking letting the Terroir speak and the fruit shine. His approach to oak is minimalist using it only for oxygenation in order to soften the tannins and open up the wine.
