

# DOMAINE FABIEN TROSSET "LA DÉVIRE" ROUSSETTE DE SAVOIE 2022

Jura - Savoie - Bugey

In 2011, following the death of his father, Fabien had to take over, at age 23, the 8 ha family estate, entirely sold to the cooperative at this time. With the help of his wife Chloé, a Beaujolais native who he met in Oenological school, they grew the estate to 18 ha, and converted it to organic certification.

Based on the spectacular South (Arbin) & South-West (Chignin) oriented hillside of "La Savoyarde", facing the Chartreuse & Mont-Blanc, the Terroir there culminate at 3,800 ft and offer steep slopes of Oxfordian marl, same than in Burgundy, covered by limestone marl rockslides.

Savoie have become the safe even for forgotten grapes and Fabien makes a point to preserve them with Mondeuse rouge, Bergeron, Roussette, Mondeuse Blanche, Mondeuse Grise or even Petite Arvine.

Roussette de Savoie is an appellation of 200h produced along the upper Rhône River in the entry door of Savoie region. It produces white wine only, from the indigenous variety Altesse, also called Roussette locally. When most of the local white wines are meant to be drunk young, Roussette can benefit of longer ageing in bottles.
