

FRANÇOIS CHIDAINE "CLOS HABERT" MONTLOUIS-SUR-LOIRE 2020

"You have to look to the historical collections of regional leaders Foreau and Huet to find comparable consistently high quality, making it clear that Chidaine is one of the world's finest craftsmen in the medium of white wine" David Schildknecht VN

Facing Vouvray, the other side of the river, Montlouis-sur-Loire is just 2 miles as the crow flies, from its illustrious older brother. Like in Vouvray, Montlouis is exclusively dedicated to Chenin Blanc, but the subtlety of Terroir, Flinty for Montlouis and Chalky for Vouvray, make them truly distinctive.

It is there that François Chidaine started his venture in 1989, when he took over after his dad. Since then, he caused a mini-revolution in this tiny appellation, in many ways that the contemporary history of Montlouis is the history of his. **Organic since 1992 and biodynamic since 1999** he shaped this appellation to be a natural wine heaven, with a swag of winemakers following his footsteps. His estate is now made of 90 acres, 50 acres in Montlouis, 25 in Vouvray and 15 in Touraine.
